

Parking and Winter Reminders

Hilton Township would like to remind everyone that parking any vehicle on any road allowance between 9:00 pm one day and 5:00 am the next day is prohibited and could result in fines.

Please refer to the link below to view by-law #727 for more information.

<https://www.hiltontownship.ca/by-laws/>

Parking on roads can make plowing difficult or sometimes impossible.

With your help the winter crew can plow more efficiently and safely.

When clearing your driveways, please do not deposit snow or ice on a roadway as it can pose a safety hazard to motorists and snowplow operators.

Thank you for your co-operation in making this a safe winter for everyone.
