Council Meeting Schedule 2025

Regular Council Meetings are the second Wednesday of every month at 7pm in the council chambers located in the Township office at 2983 Base Line. The next meeting is February 12, 2025.

The schedule for regular council meetings and the agenda packages can be found posted on the website prior to the meeting.

Minutes will be posted after they are approved by Council.

If you would like something to be brought to council, please contact the office seven days prior to the meeting.

Snowplow Safety

Municipal snow clearing equipment is identified with blue flashing lights. Remember to give them extra room as

they are large and use extended wings that make it tricky to navigate in tight spaces. Please be patient as our snowplow operates at a slower speed when pushing snow or spreading sand and remember that the safest place on the road in a storm is behind the snowplow.

Remind children that playing in snowbanks along the roadside is very dangerous and to please stay clear of this area.

Cemetery

To arrange a cremation interment, please contact the office at 705-246-2472 or by email at admin@hiltontownship.ca. Please refer to by-law #1366-23 located on the township’s website for rules and regulations.
